Equal Housing  
Opportunity

### ***Peace of Mind***

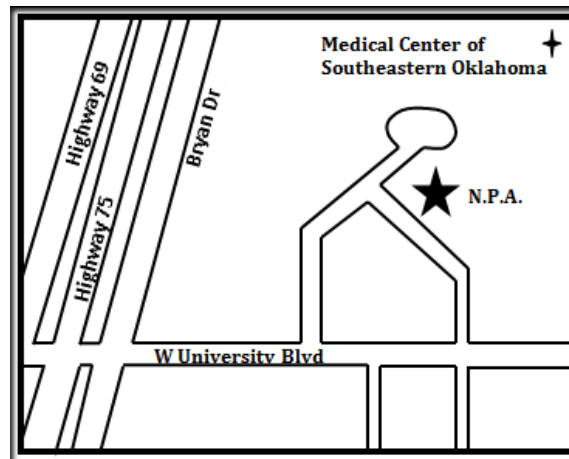

Your safety and security are of utmost importance to us. We strive to make our buildings, entryways and parking areas well-lit, and we check them frequently to maintain their top condition. Prior to move-in, criminal background checks are performed on all applicants. Upon move-in, we sign a mutual Good Neighbor Commitment: as our resident, you agree to be a respectful neighbor, and as your community team, we agree to be attentive and responsive, maintaining a clean and welcoming environment for all.

### ***Pet Friendly***

At North Park Apartments we understand the adoration our residents have for their pets. That's why we have a dedicated pet area on property where residents can play with their dogs and cats alike. We are a pet friendly community.
